3. It eliminates the possibility of lost or stolen statements via USPS
4. You can access your statement at any time once it’s ready
5. Reduces paper and helps the environment

How to Enroll
Visit UCPath and click on Income and Taxes> Enroll to Receive Online W-2.

- Verify your current status. If your current status says CONSENT RECEIVED, then you do not have to do anything – your previous enrollment from AYSO successfully transferred to the UCPath system.

- If your current status is blank, then you must follow the directions on the screen to sign up.

Once you’ve signed up, all notifications about your W-2/W-2c will be sent to your preferred email address on file in the UCPath system. Please check that your email address is up-to-date.

REMEMBER:
UCLA employees will receive two (2) W-2’s for 2018: 1) AYSO (Jan. - Sept. 2018) and 2) UCPath (Sept. - Dec. 2018). This is due to the transition to the UCPath system in September, 2018.
